Let's be **GREEN**

PLAY RULES

**AN EDUCATIVE AND EXCITING GAME ON
THE 3 R'S OF ENVIRONMENT PROTECTION!**

Let's Be Green is an educative & entertaining game on the 3 R's of Environment Protection.

Aim of the Game: To fill your Recycling Bin Boards with the correct Recyclable Material.

CONTENTS

- *A colourful Game Board*
- *4 Recycling Bin-boards*
- *6 (green background) Biodegradable Waste cards*
- *6 (red background) Toxic Waste cards*
- *10 each Recyclable waste cards-Paper, Glass, Tin & Plastic*
- *30 "Green Tips" cards*
- *4 Play Pieces*
- *1 Dice*

The Play:

1. The game board is placed in the middle of the players. Each player is given one different Recycling Bin-board.
2. The Waste Cards (small cards) are shuffled and placed face downwards, within the easy reach of all the players, on the right and left sides of the play board.
3. Green Tips cards are also shuffled and placed somewhere on the game board.
4. Each player chooses a Play Piece that matches the colour of his or her "Start" space and places it on the "Start" space.

5. The first player starts by throwing the dice and moves his\her piece that many spaces as shown on the dice.
6. If a player lands on a square that has a picture of a Bin on it, irrespective of its colour, he\she picks up a card from either of the side, looks at the card without showing it to the other players. If it is an item that belongs to his/her Recycling Bin, he/she places it on his/her board, if it is not an item that he/she needs, it is returned face downwards on the same space.
7. If a player turns over a Biodegradable Card, it is shown to all the players and he/she places that card on the green space of his\her board and takes another turn.
8. If a player turns over an item that is Toxic Waste, it is also shown to the other players. The player has to remove one card from his\her recycling bin and return it to the face down cards. The Toxic Waste card is placed near the play board face up.
9. If the player's piece lands on a Plant square, he\she picks up the top card from the pile of Green Tip cards and reads out the message written on the card loudly and asks other players to discuss it.
10. Play passes to the next player.
11. Play continues until one player has filled his\her Recycling Bin.

The Winner:

The first to fill his\her-recycling bin completely with the correct items is the Winner.
